100 yds Individual Postal League Summer 2022

**Entries are invited to the BSSA 100 yds Prone Rifle (iron sights)
Postal League open to all clubs affiliated to the NSRA.**

League Organisation

This league is for individual entry. The League is divided into Divisions according to declared averages, with each Division comprising up to 9 competitors.

The League will comprise 10 rounds shot fortnightly; each competitor firing 20 shots per round at 100yds on NSRA 1989 series targets per round. Cards may be shot as soon as stickers are issued; there is no 'start date' for individual rounds. The last day of shooting for each round will be a Monday.

Competitors will be award points for each round according to score ranking, best score 9 points, second 8 points etc. The winner for each division will be the competitor with the most points; ties will be decided by the better aggregate; if the aggregates are also tied, then by countback.

As this is an individual league, extensions to the last shooting date will only be given in exceptional circumstances. Competitors are urged to shoot in advance to avoid NCRs.

All shooting and witnessing is to be in accordance with the NSRA rules in force on the last day of shooting for the first round.

Fees

For the 2022 Summer League the cost is £3.50 per competitor. There are no additional fees.

Prizes

The winners and runners up in each Division each receive a medal.

Clubs opting to self-score are required to retain all cards for two weeks after the results of the final round are issued. The BSSA may call in the cards for any round for verification.

NSRA approved electronic target systems may also be used; records may be posted or scanned and emailed to the League Scorer. The option for Clubs to submit cards to the League Scorer remains.

Scores or shot cards must reach the League Scorer by the Saturday following the last day for shooting; either by the first post if sent by post or by midday of that Saturday by any other means.

Results

League results are issued by email or post (SAE required) as preferred by the club. The BSSA aim is to issue results within two weeks of receipt of the shot cards.
